Dear Judge Castel,

My name is Andre Agassi, and I am a lifelong resident of Las Vegas, Nevada. In 1994 I founded the Andre Agassi Foundation for Education. The mission at that time was to make a positive difference in my community through other local charity organizations. In the late 1990s I decided to build a school in the most underserved area of Las Vegas, to make a difference for children in that community through education. I began a capital campaign to fund the building and operation of what would become Andre Agassi College Preparatory Academy, a K-12 public charter school for at-risk children.

In 2003, Mr. William Walters contributed \$250,000 toward that campaign. In subsequent years, primarily through my annual Grand Slam fundraiser, he contributed a substantial amount of support, totaling \$385,000 to date.

Mr. Walters has shown a great deal of support to my organization, which in turn supports Agassi Prep; enabling us to provide an outstanding education and opportunities to the kids in attendance. It has made a real impact on that community, at that time and in the future. His generosity has truly benefitted the entire community of Las Vegas.

Very truly yours,

Andre Agassi
