Dear Judge Castel:

As a fifty-three year resident of Las Vegas, my entire family has been deeply involved in the growth and development of this community. Like Bill Walters, whom I have known for over 35 of those years, our focus has been on building a stronger community.

I spent 26 years in education building Nevada's first nonsectarian, nonprofit college prep school which continues to college-place 100% of its graduates. From its very first years Bill Walters was a staunch supporter of that endeavor helping specifically with scholarship funding for low-income families and in providing hosting venues for many of our fundraising endeavors *free of charge!*

Beyond that relationship, I have known, worked with and for--and have appreciated--Bill Walters for his ongoing philanthropic support to build, from the start, a comprehensive center for physically and mentally challenged children and adults in the Las Vegas community. This Center (Opportunity Village) now boasts four comprehensive campus sites each serving those with disabilities with activity, counseling, support, education, and job-training and work placement. Bill Walters was a founder of this effort and is acknowledged and enormously appreciated for all that he did and continues to do for this grand but challenged population.

Very truly yours,

Carolyn G. Goodman
